

Measuring tape for all TRIO bracelets

Find your fitting bracelet length now.

With this measuring tape we help you find the perfect size for your CHAMOON TRIO leather bracelet in just four steps.

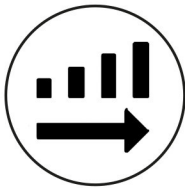

1. Print it out

Print this page in original size (DIN A4).
(Actual size or 100%)

2. Cut it out

Cut out the measuring tape and cut a slit at the marked location.

3. Take the measurement

Place the measuring tape around your wrist and insert the tip into the slot provided for it. Make sure that the piece of paper is not too tight around your wrist.

4. Read off your size

Read off the matching size now. If you are pending between two sizes please select the next larger TRIO.

Important

Check, if the printout is on the right scale.
To do so, simply check the measurement using a ruler.
